Prez lays stone of first eco-friendly rly station

VADODARA, DECEMBER 15

President Ram Nath Kovind today laid the stone of the country's first eco-friendly railway station at Kevadiya Colony to facilitate tourists visiting the Statue of Unity of Sardar Vallabhbhai Patel and the Narmada Dam Complex.

Railway Minister Piyush Goyal and Gujarat CM Vijay Rupani were also present.

To be developed at a cost of Rs 20 crore, the station would have rain water harvesting system, sewage treatment plant, eco-waterless wash-

RAILWAY UNIVERSITY DEDICATED TO NATION

Railway Minister Piyush Goyal dedicated to the nation the first Railway University developed over 55 acres of land in Pratapnagar locality in Vadodara. The university has come up at the site where Railway Staff College stood once.

rooms, insulated walls and other eco-friendly facilities, besides solar power generating panels on rooftop to generate 200-KW power. — OC
