

### **India to seal Kamov chopper deal by Oct.**

NEW DELHI

The government is all set to conclude a multibillion-dollar deal by October to procure 200 Kamov Ka-226T attack helicopters through a joint venture between Russian Helicopters and state-run Hindustan Aeronautics Ltd. (HAL). Under a 2015 agreement with Russia, 60 Kamov helicopters will be supplied to India in flyaway condition, while 140 will be manufactured in India at a facility in Karnataka. PTI
