

## NEW CALL

### **Army chief stresses on battle-focused training, mobility**

**NEW DELHI:** Army chief, Gen Bipin Rawat, on Sunday emphasised on battle focused training and mental mobility in operations to ensure victory. His remarks came during his visit to the 1 Corps HQ at the Mathura Military Station where he appreciated measures being undertaken to improve operational readiness and also the efforts made to improve the quality of life of soldiers as well as their families, a statement said.
