The board members of the United States India Business Council (USIBC) Friday called on Prime Minister Narendra Modi

during which they expressed their desire to prepare a roadmap to achieve the target of USD 500 billion in bilateral trade, a statement issued by the PMO said.

They also briefed the

prime minister on the outcomes of the India Idea Forum held in Mumbai earlier this week, it said.

“The business leaders expressed their desire to prepare a roadmap to achieve the target of USD

500 billion in bilateral trade and expand meaningfully their CSR activities in India,” it said. Interacting with the members, the PM mentioned various reforms undertaken by his government.
