

## Prabhu to meet Apple leadership in Davos over India

Commerce  
and Industry  
Minister  
Suresh  
Prabhu  
(pictured)  
said on  
Friday he

would be meeting top leadership of US-based iPhone maker Apple in Davos next month to discuss its plan about setting up manufacturing facilities in India. He said talks were on with the company, and the government can look at the demands of Apple Inc for setting up its manufacturing facility in the country. "If they agree, we will like them to set up offices in India as well." PTK
