

Improve last-mile delivery for ease of doing business: PM

NEW DELHI: Prime Minister Narendra Modi Thursday asked bureaucrats to improve last mile delivery and focus on streamlining procedures to improve the country's 'ease of doing business' rankings, his office has said. He also said that besides improving the ease of doing business rankings, it would also increase the 'ease of living' for small businesses and the common man. Modi said this was extremely important for India as an emerging and vibrant economy, a statement issued by the Prime Minister's Office said here. The prime minister made these remarks at a high-level meeting he chaired to review progress of 'ease of doing business'.
