

INTERNSHIP ON SWACHHH BHARAT

New Delhi, April 30: A day after Prime Minister Narendra Modi urged the youth to join the Swachhh Bharat initiative as interns, the government today launched the Swachhh Bharat Summer Internship. A first-of-its-kind initiative of the Ministry of Drinking Water and Sanitation (MDWS), in association with the Union HRD ministry and Union ministry of youth affairs and sports, the three-month internship period will commence from tomorrow (May 1) and conclude on July 31, a statement said. "The programme aims to engage millions of youngsters across the country, to encourage them to contribute to the Swachhh Bharat Mission in the spirit of a true jan andolan (people's movement). The PM, in his address, Mann Ki Baat, called upon youth to avail the benefits of the internship and take forward the cleanliness movement," a statement issued by the MDWS said.. — PTI
