

Train 18 likely to be launched in a week

THE RAILWAYS' ambitious Train 18 has got clearance from the Electrical Inspector to the Government (EIG), after three days of inspection, sources in the ministry said on Thursday, adding the train is likely to be flagged off by Prime Minister Narendra Modi in a week. The much-awaited train had been in limbo for over a month after it finished its trials and was given conditional clearance by the chief commissioner of railway safety.
