

Govt enhances pay scales for Army medical officers

NEW DELHI, 19 AUGUST

The government has approved enhanced pay scales for medical officers and specialists in the Army. The scales for OIC (Officer In-charge Polyclinics), medical officers and dental officers has been increased to Rs 75,000 and all specialists to Rs 87,000 for the first year and Rs 1 lakh for the second in ECHS (ex-servicemen Contributory Health Scheme) polyclinics with effect from August 17.

“ECHS is looking forward to quality doctors and dedicated care of veterans and their dependants,” Additional Directorate General of Public Information, Indian Army, tweeted on Friday. SNS
