"EXCELLENT WORK DONE BY INDIAN ARMED FORCES IN CAMBODIA"  
INTERNATIONAL COMMISSION CHAIRMAN'S APPRECIATION

New Delhi, December 6, 1955.

Shri G. Parthasarathi, Chairman of the International Supervisory Commission in Viet-Nam, in the course of a letter of appreciation in respect of the good work done by Indian troops in Indo-China, written to Major General J. N. Chaudhuri, Chief of the General Staff, Army Headquarters, says:

"I have just come back after serving in Cambodia for thirteen months as Chairman of the International Commission there. I am writing to you to express my warm and grateful appreciation of the excellent work done by the Indian Armed Forces in Cambodia.

I have always had admiration for the members of our armed forces for their sense of duty and discipline. Having worked with them closely in Cambodia, my affection and regard for them has been enhanced. In the many delicate tasks in which we were engaged, our officers discharged their difficult responsibilities with fairness and impartiality. They have earned the praise of the Cambodians as well as of our Canadian and Polish colleagues.

By their dignified bearing, simplicity and disciplined behaviour, our jawans have made a profound impression in Indo-China and raised India's stock in that area."
