ADMIRAL PEREIRA APPOINTED CAPTAIN COMMANDANT
OF NAVAL ENGINEERS

New Delhi, Kartika 25, 1900
October 17, 1978

Vice Admiral J.T.G. Pereira has been appointed the Captain Commandant of the Engineering Branch of the Navy. He is the Chief of Material in the Naval Headquarters here.

A graduate of the Royal Naval Engineering College, Devonport, U.K., Admiral Pereira was commissioned in the Royal Indian Navy on May 1, 1944. He also completed post-graduate studies in Advanced Marine Engineering and Design in the Royal Naval College, Greenwich, U.K. He has held a number of important appointments afloat and ashore. Prior to taking up his present appointment as the Chief of Material in July, 1976, Admiral Pereira was the Admiral Superintendent of the Naval Dockyard, Bombay.

Admiral Pereira is the first Chairman of the newly formed Marine Engineering Division of the Institution of Engineers (India).
