02	<p style="text-align: center;">Make in India</p> <p><i>I want to appeal to all the people world over, from the ramparts of the Red Fort, "Come, make in India", "Come, manufacture in India". Sell in any country of the world but manufacture here. We have got skill, talent, discipline, and determination to do something. We want to give the world a favourable opportunity that come here, "Come, Make in India" and we will say to the world, from electrical to electronics, "Come, Make in India", from automobiles to agro value addition "Come, Make in India", paper or plastic, "Come, Make in India", satellite or submarine "Come, Make in India". Our country is powerful.</i></p>	<p>As a major national initiative to boost manufacturing and investment in India, Make in India has ushered multiple reforms in the sphere of Foreign Direct Investment (FDI), thus rendering positivity to the investment climate in India. The country has witnessed a substantial increase in FDI inflow with USD 161 Billion FDI received between April 2014 and March 2017. What stands out about this is that it accounts for 33.2% of cumulative FDI inflow in India since April 2000 until March 2017. Further, since the launch of Make in India, there has been a spectacular 62% growth in FDI equity inflow into the country.</p> <p>As the Lion marches on with pride, the world is acknowledging its success. In 2017, India was ranked 8th in A.T. Kearney's FDI Confidence Index.1 India was also ranked 1st among the world's most attractive investment destinations, 1st among 110 investment destinations polled globally, 1st among the world's best countries to invest in and a top destination for Greenfield FDI. In less than 3 years,</p>

		<p>Make in India has become a highly visible and credible brand, opening new doors for investment. All these rankings clearly reflect investor optimism in India's economic outlook. The Government has been making consistent efforts to make India an investor-friendly destination. From measures to improve ease of doing business to reforms under the FDI policy regime, all Government initiatives on this front have been acknowledged the world over. The improved business environment also reflects in Confederation of Indian Industries' Business Confidence Index, which reached an all-time high of 64.1 during Q4 of FY 2016-17.</p>
03	<p style="text-align: center;">Skill India</p> <p><i>If we have to promote the development of our country then our mission has to be 'skill development' and 'skilled India'. Millions and Millions of Indian youth should go for acquisition of skills and there should be a network across the country for this and not the archaic systems. They should acquire the skills which could contribute towards making India a modern country. Whenever they go to any country in the world, their skills must be appreciated and we want to go for a two pronged development.</i></p>	<ul style="list-style-type: none"> • Till date 2.6 crore people have been trained cumulatively in the last 3 years, out of which 1.17 crore people have been skilled under MSDE's programs alone. <p><u>Pradhan Mantri Kaushal Vikas Yojna:</u></p> <ul style="list-style-type: none"> • More than 30 Lakh candidates have been trained or are under training under PMKVY and additional targets have been allocated to more than 3300 training centers to train approx. 17 Lakh candidates. • Out of 30 lakhs 5,50,877 are trained under Recognition of Prior Learning (RPL) Program which assesses basis existing skills in a person and trains them to a certain level of qualification and will help in formalizing the unorganized sector. • Currently, PMKVY is offering training in 34 sectors. • Scheme operating in 30 States and 7 UTs <p><u>Pradhan Mantri Kaushal Kendra:</u></p> <ul style="list-style-type: none"> • 556 PMKKs have been allocated covering 514 districts, out of which 212 centers are ready to be operationalized. 06	<p style="text-align: center;">Sansad Adarsh Gram Yojana</p> <p><i>Sansad Aadarsh Gram Yojana'. We shall fix some parameters. I urge upon the Members of Parliament to select any one of the villages having population of three to five thousand in your constituency. The parameters will be according to the time, space and situation of that locality. It will include the conditions of health, cleanliness, atmosphere, greenery, cordiality etc. On the basis of those parameters, each of our MPs should make one village of his or her constituency a Model Village by 2016. Can't we do at least this? Shouldn't we do this? If we have to build a nation, we should start from the village. Make a Model Village. The reason of fixing this target for 2016 is that it is a new scheme. It takes time to formulate a scheme and then to implement it. After 2016, select two more villages for this purpose, before we go for the General Elections in 2019. And after 2019, each Member of Parliament, during his/her tenure of 5 years must establish at-least five model villages in his/her area.</i></p>	<ul style="list-style-type: none"> • The Hon'ble MPs have adopted 703 Gram Panchayats (GPs) under Phase-I and 382 GPs under Phase-II of the scheme and 47 GPs till date. • According to the reports uploaded by states on SAGY portal, 21926 projects have already been completed or in progress out of 40962 projects that were planned to be implemented.
