

Modi's shortest I-Day address

PM Modi's speech on Tuesday was his shortest I-Day address since he made his first from the ramparts of the Red Fort after assuming office in 2014. Tuesday's speech was 56 minutes and 42 seconds long, while Modi's first I-Day address measured one hour, seven minutes and 36 seconds. The one in 2015 was an hour, 27 minutes and 51 seconds, while the 2016 address lasted an hour, seven minutes and 36 seconds.
